

CHRISTIES BEACH PRIMARY SCHOOL

STUDENT CODE OF CONDUCT – USING THE INTERNET

R – 2 STUDENTS

The Internet is a vast network that links computers at many sites throughout the world. Through use of the Internet, we can communicate with people all over the world through email and access vast amounts of information on many subjects.

The staff at Christies Beach Primary School will endeavour to carefully teach the correct protocols of computer and Internet use at school to ensure that students at Christies Beach Primary School use the Internet in an appropriate manner.

We are asking that you provide the same direction and advice to your child so that they fully understand how to use the Internet appropriately. Please read the following statements follow up by talking with your child and returning this signed form to your child's teacher.

- *As the Parent/Caregiver of _____ I have explained to my child that they can only use the Internet with the teacher's permission and follow the teacher's instructions.*
- *I have explained to my child when using the Internet at school they are only to access appropriate websites and information relevant to their work.*
- *I have explained to my child that any emails they send must not contain inappropriate or offensive material.*
