

CHRISTIES BEACH PRIMARY SCHOOL DRESS CODE

Why Have a Dress Code?

- It promotes a sense of belonging and pride in the school and community.
- It gives the school a unique identity.
- It creates a sense of equity for the students.
- It is practical in its application to a wide range of physical activities and weather conditions.
- It is appropriate to offer students a wide range of choices to suit activities.
- It ensures students observe health, safety and decency standards.
- It eliminates competition for brand name and 'fad' clothing and the wearing of inappropriate clothes and accessories.

There is an expectation at Christies Beach Primary School that all students wear a school uniform. Clothing with non-school logos (e.g. Nike, Adidas) is not acceptable.

The Governing Council has approved the Uniform Policy and expects compliance by students, parents and staff.

Compliance Obligations

Any student not wearing full school uniform who:

- (a) Has a note of explanation from home, will be provided with a loan uniform.
- (b) Does not have a note of explanation from home, will be provided with a loan uniform and parents/caregivers will be contacted by letter, diary note or phone if student persistently breaches the school dress code.

Parents are asked to contact the school if there are extraordinary circumstances preventing students wearing the school uniform on a particular day.
