To the Christies Beach Primary School community,

It is with great pleasure that I announce the appointment of Catherine O'Dea as principal of Christies Beach PS from January 2018. Catherine is currently principal of Auburn PS and brings a range of experiences to the role. Thanks to Beck Truran who will continue as acting principal for the interim.

Along with the selection committee (including governing council and staff representatives) I am confident that, under Catherine's leadership, the school is well placed to continue its development of high quality educational provision.

As Education Director, I wish the community well and look forward to working closely with Catherine and her team in the ensuing years to improve the educational outcomes of the students at Christies Beach Primary School.
