## Friday 5th July

Dear Parents, Caregivers and Families,

It is hard to believe that we are at the end of Term 2. As we finish our term I want to acknowledge and thank the following staff members who will be leaving us to take on new roles. Ms Leanne Zizikos who has been teaching Visual Arts as a specialist subject this semester. Next term we will welcome back Bu Lisa who will once again teach Indonesian. Thank you also to Mr Sam Hage who has been working in Junior Primary. We also say goodbye to Elijah Falzon and Jackson Fidge.

We are excited to announce that Ms Bridget Spurr has almost completed her student placement and has been approved as a Special Authority teacher by the Teacher Registration Board to teach at our school until end of this year. She will become the official teacher of Room 17 for the remainder of the year.

Our Positive Behaviour Learning Team will be presenting their good practice at the Statewide Inclusion in Education Conference which will be held in the July School Holidays at Brighton Secondary School.

I have also been asked to present the story of our school's writing improvement journey at the Australian English and Literacy Conference which is being held in Adelaide during the school holidays. As part of this presentation our video of school's writing improvement story will be shared. We will share this video of our students and staff talking about their writing improvement on our school's website after the conference.

Finally this week we join with our community in celebrating NAIDOC Week. This year's theme is *'Keep the Fire Burning! Blak, Loud and Proud'*. This theme echoes the enduring flame of First Nations cultures, shining brightly through adversity and celebrating the richness of First Nations heritage.

Have an enjoyable holiday with your families.

Kind regards

Catherine

## NAIDOC WEEK

### NAIDOC Week 3rd -10th July: Keep The Fire Burning! Black Loud And Proud.

In the Junior Primary we built a symbolic fire and watched a video with Aunty Lena Rigney a Ngarrindjeri woman telling the Dreaming Story of Thukeri. It is story about happened when people took too much from country and did not share. This caused their ancestor spirit Ngurnderi to punish them and change the Thukeri (Bream) into a bony fish that can't be eaten today. We made Thukeri which will be displayed in Colonnades next week.

Upper Primary students explored their role in keeping the fire burning. We focused on Adam Goodes, a strong Aboriginal role model and his journey with racism. The students shared views on the topic and we discussed how they feel about calling out racism. On Wednesday the Upper Primary students participated in the community NAIDOC March, finishing Rotary Park for a family Fun Day. Isaac Hannam opened the event with a Welcome to Country and smoking ceremony.

Our students enjoyed lunch and visiting various information stalls. A highlight was seeing the performers Dem Mob who got the crowd dancing. Lots of our students were lucky to get photos and signatures after their performance.

On Friday, the last day of school we will be holding NAIDOC Donut Day for those that placed orders and an assembly at 9:10am.

## Yr 5/6 Mylor Camp

This year the year 5/6s went to Mylor. We took the bus there and the bus got lost. On the first day we did a scavenger hunt and then we did a challenge course where we had to slide into freezing water and crawl through mud. For dinner we had lasagna and chocolate mousse.

On the second day we did bridge building, raft making, giant swing and archery. For dinner we had butter chicken and rice.

On the last day we did bouldering and low ropes then went on the bus home.

At night we played kick the can. We also went on night walks, watched movies and did a quiz night.

The giant swing was really fun and scary, the group would pull you up with a rope then you'd pull this little ball then you'd drop and start swinging. We also played a game called gaga ball that lady gaga invented.

We all had a great time.

## Monarto Zoo Excursion

On Monday the 24<sup>th</sup> of June, all Junior Primary classes went on an excursion to Monarto Zoo. We were very lucky and had lovely weather for winter time and were able to see some incredible animals. From the bus we watched the male Lions be fed, saw an hour old Giraffe, Cheetahs, Chimpanzee and Rhinos. We also enjoyed time on the playground and seeing the Meercats up close. On the bus we had a fabulous tour guide who shared lots of interesting facts about each of the animals. We hope to go back to the zoo again!

## Uniforms

Please ensure your child comes to school in correct school uniform. Students can wear a bottle green t-shirt or jumper and black or green pants. Please note that we are phasing our grey uniforms. Black tops are not to be worn. We have a large stock of new uniforms for purchase and some second-hand uniforms available for a gold coin donation.

Any student not dressed in appropriate school uniform will be provided with the correct uniform to be worn for the day and returned to front office at the conclusion of the school day.

## Attendance

School is open for students from 8.00am to attend our Breakfast and Reading Clubs. For safety and duty of care reasons, **we ask that remain in these areas until the Play Bell at 8:30am.**

A reminder that our OSHC service provides before school care from 7.00am. OSHC enrolment forms can be found on our website, or through OSHC directly.

Teachers will begin opening classrooms from 8:30am, with Whole School Huddle on the Netball Court commencing at 8.50am.

The first few minutes of the school day are very important as this is when daily notices and reminders about events are given, notes are collected, communication books are checked and a range of other organisational matters are managed. Students who arrive late (even a few minutes late), often miss this valuable information.

Students who arrive after 9:00am must report directly to the front office and sign in as a late arrival.
